Disclosure Statement

Executive Officers who have a financial relationship with or are affiliated with companies or organizations about whose products or services they are reporting must disclose this information. If you, as an Executive Officer for the CCIC, have such an affiliation or financial relationship, a disclosure statement must be made publicly available on the CCIC website. The intent of this policy is not to prevent an individual from taking a leadership role in the organization; it is intended that any relationship should be identified openly so that all may form their own judgments about the CCIC with the full disclosure of the facts.
