

Cannabinoids in Clinical Practice

8TH ANNUAL HYBRID CONFERENCE

APRIL 21-22.2022

December 15, 2021

CALL FOR APPLICATIONS

On behalf of the Canadian Consortium for the Investigation of Cannabinoids (CCIC) and the Steering Committee for the 8th Cannabinoids in Clinical Practice Conference, it is my pleasure to announce this call for applications for the **Trainee Research Spotlight Award**. Successful applicants of this award will receive an invitation to provide a **platform presentation** during the CCIC Conference, their **registration fee will be waived**, and **\$1,000** will be provided to offset the cost of travel and accommodation to attend the conference in-person.

Our conference will take place April 21-22, 2022 at the University of Toronto, Toronto ON in partnership with the Toronto Cannabis and Cannabinoids Research Consortium (TC3). Completed applications must be submitted according to the instructions below on or before **January 25, 2022**.

This conference is hosted by the CCIC in order to provide a venue for knowledge mobilization and discussion of *Cannabis* and cannabinoids to health care professionals and researchers.

Applications are encouraged from all levels of trainees from undergraduate students, graduate students and postdoctoral fellows. Applications will be reviewed by our adjudication committee and **three (3) awards** will be granted.

We want to make every effort to ensure that the content is relevant and that the sessions are interactive. We encourage all trainees actively conducting cannabinoid research at universities or research institutions to apply. We sincerely hope that you will be able to join us and participate in this important symposium. More information about the Cannabinoids in Clinical Practice Conference can be found at: <https://ccic.net/ccic-conference>

Yours sincerely,

Robert Laprairie, PhD
President & Director of Education and Trainee Initiatives, CCIC
Assistant Professor, GSK-CIHR Chair in Drug Discovery and Development
College of Pharmacy and Nutrition, University of Saskatchewan

Conflict of interest statement (see below):	
Are you applying for a Trainee Research Award?	Yes (ensure other required documents are submitted with this form) No

The Cannabinoids in Clinical Practice conference steering committee requires that all presenters who have a financial relationship with or are affiliated with companies or organizations about whose products or services they are reporting must disclose this information. If you, as a potential conference presenter, have such an affiliation or financial relationship, a disclosure statement must be made to the Cannabinoids in Clinical Practice conference steering committee for review as well as on the poster presentation. The intent of this policy is not to prevent an individual from participating in the conference program; it is intended that any relationship should be identified openly so that all may form their own judgments about the presenters with the full disclosure of the facts.

CCIC Funding Competition 2022 Trainee Research Spotlight Award Form	
Application Deadline date:	January 25 2022; 11:59 pm EST
Applicant Information	
Surname:	<input type="text"/>
